

Spring School
**Complex Networks: Theory, Methods
and Applications (5th edition)**
Lake Como School of Advanced Studies

Como, Italy, Villa del Grumello, 13-17 May 2019

ntme.lakecomoschool.org

Lecturers

Iain Couzin, *Max Planck Institute for Ornithology, and University of Konstanz* |
Tina Eliassi-Rad, *Northeastern University* | **Sonia Kéfi**, *CNRS, Université de
Montpellier* | **Vito Latora**, *Queen Mary University of London* | **Giovanni Petri**, *ISI
Foundation, Turin*

Organizing
Committee

Stefano Battiston, *University of Zurich* | **Ginestra Bianconi**, *Queen Mary University
of London* | **Vittoria Colizza**, *INSERM and Sorbonne Université, Paris* | **James
Gleeson**, *University of Limerick* | **Petter Holme**, *Tokio Institute of Technology* | **Yamir
Moreno**, *University of Zaragoza* | **Carlo Piccardi**, *Politecnico di Milano* | **Mason A.
Porter**, *UCLA*

Program of
the School

The New Science of Networks | **Network Geometry** | **Complex Networks
with Many Layers** | **Topological Data Analysis** | **Machine Learning and
Networks** | **Ecological Networks** | **Animal Collective Behavior**
